

Sepideh Naghavi

Architectural Designer

PERSONAL PROFILE

As an architectural designer and artist, I am deeply passionate about crafting one-of-a-kind designs. My love for working in engaging and cooperative environments has helped me develop my skills and grow as a professional. Being an extrovert, I am fueled by social interaction, and I always bring a positive attitude to everything I do. I am constantly seeking new and innovative approaches to my work, and I am excited to see where my journey takes me next. Thank you for taking the time to learn a little more about me.!
